NOTICE OF STRIKE

At an emergency meeting of the National Council of the Colleges of Education Non Teaching Staff Association of Ghana (CENTSAG) held on Thursday 2nd January 2025, the state of migration of staff of Colleges of Education onto the single spine salary grade structure of the Public Universities was discussed.

It came to light that the migration process has been unduly delayed and council saw that to be a ploy by the government to frustrate the process.

Council therefore resolved that if by Friday 10th January 2025 no concrete steps are taken by the government to ensure the immediate implementation of the staff qualification and placement audit and evidence shown to the National Executives, then CENTSAG will have no option than to embark on an indefinite industrial action on 13th January 2025 to press home our demand for the immediate implementation of the staff qualification and placement audit.

By this communique, notice of strike is duly served on all stakeholders.

Thank you
